Dear Brother/Sister:

## CARPENTERS DISTRICT COUNCIL STAFFING CHANGES

As members know, the Carpenters Union in Ontario has recently undergone a reorganization and restructuring. The Carpenters District Council now operates as the single Council in the Province of Ontario.

The Executive of the Carpenters District Council recently conducted a review of staffing levels across the Province of Ontario.

As a result of that review, there have been layoffs of organizers and representatives across Ontario to ensure that costs are contained during a period of continuing economic uncertainty. Ottawa (and the jurisdiction of Local 93) are not exempted from the layoffs.

Brother Ucal Powell, the Executive Secretary Treasurer of our District Council, was in Ottawa today to advise those being laid off of the termination of their employment with the Carpenters District Council.

This letter is to advise members that Brother Del Boudreau (who has worked as the Local Co-Ordinator with responsibility for Local 93) is among the District Council Staff laid off. I wish to take this opportunity to thank Brother Boudreau for his service with the Carpenters District Council, and wish him well in his future endeavours

In light of Brother Boudreau's departure, Brother Rod Thompson has been appointed as Local 93 co-ordinator.

Fraternally yours,

Donald Guilbeault
